

CARTON CLAMP

Sattach carton clamps offer a clean and simple way to increase productivity and reduce costs through pallet-less handling. While the models shown below satisfy almost all applications, our local manufacture and fitting of arms to the high visibility clamp body offers a huge range of options.

Features:

- ✓ Thin arm design for tight load stacking and “knifing” between stacks
- ✓ Articulated arm pads to minimise damage and distribute clamping force evenly
- ✓ Vulcanised rubber pads for grip that can be reversed for twice the life
- ✓ Excellent visibility
- ✓ QD bottom hooks
- ✓ Hydraulic components protected from damage and impacts
- ✓ Side shifting
- ✓ Long life wear strips to protect underside of the carton pads.

Options:

- ? Different pad sizes
- ? Variety of capacities
- ? 3 Position pressure relief valve
- ? Variety of opening ranges
- ? Class III mount
- ? Hose reels, solenoid valves and buttons for easy hydraulic installation
